Briefly describe the interest and experience that makes you a good candidate	Having lived on Deerfield Avenue since 1995, we purchased our lot and build our home in 1994-95, I have watched this community change and grown and enjoyed the quiet neighborhood. I have worked in the legal field as a legal secretary over the years and ran a retail business for 12 years in Market Common allowing me to acquire skills necessary to assist in the operation of a profitable business. I was unable for many years to attend the annual meetings due to work schedules but retired and am now free to participate in helping with the oversight of this POA.
---	---

I wish to help restore our neighborhood to the friendly, neighboroodly environment it was and to help maintain a clean and attractive neighborhood.

Briefly describe the interest and experience that makes you a good candidate 22 years of direct Property Preservation for FHA, Fannie Mae, Freddie Mac. I work for all the major lending institutions and have been top of my field for 22 years. I know county code laws and regulations that would add commonsense to the current state of affairs here in Deerfield Poa. Over 15-20 different homeowners reached out to me to run for the board. Big changes are needed, and they are coming. I look forward to working with the other new board members so we can get back to common sense governance.

Thank you and I appreciate any and all votes to help me get this ship sailing straight again,

Bryan Sowatskey
